PRSS is pleased to announce that the Edusave Character Award (ECHA) Nominations for 2018 is now open!

The Edusave Character Award seeks to recognise and affirm **Singaporean** students who have demonstrated exemplary character and outstanding personal qualities through their behaviour and actions.

Students must, *on a consistent basis*, **demonstrate good character and values**. In particular, students may be identified for demonstrating the following types of qualities:

- (i) School values and/or character traits that the school wishes to recognise or encourage e.g. respect, integrity, care, harmony; and/or
- (ii) A high level of civic responsibility. These would be students who are concerned about issues in the community or issues faced by others, initiating action to address these issues to improve the lives of others, and being committed to make a positive difference; and/or
- (iii) Qualities associated with resilience. These would be students who have persevered despite facing difficult circumstances (e.g. financial problems, family issues, health issues etc.), and managed to overcome the odds and still do commendably well in academic and non-academic domains.

If you feel that your child or his/her peer is deserving of this award, kindly download and complete the [ECHA nomination form](#) from the school website and submit it at the General Office by 24 Sep 2018 (Mon).
